

Wishing you a very Woody Christmas and Planty New Year!

As the new year moves us into the practical aspects of looking after Folly Wood, its great that Stroud Valleys Project have been able to buy us about six hundred trees – that's about ten per shareholder. A lovely present. We need to plant them before the end of March and we hope that you can join us on one or more of our tree planting Sundays and help increase the biodiversity, beauty and age range of the wood.

We'll be out there to advise and train anyone who needs some help between 10.00 and 2.00 on the following Sundays:

January: 15th, 29th
February: 12th, 26th
March: 18th, 25th

Hoping to see you in the wood

BEN, MARTIN AND RICHARD
