

'encounter. Walking North, River Severn' by Kel Portman

private view invitation

sunday 17th july. 6:00 - 8:00 pm

We'd love you to join us for our exhibition's private view at The Old Passage. OK, so it's not on the traditional opening day and we can't promise you a sight of the famous Severn Bore, but we have a wonderful selection of artwork that's displayed in a delightful setting, on the banks of the River Severn.

The Exhibition

Artists, photographers and sculptors explore subjects inspired by these arteries of wildlife, trade and recreation, while also looking at the surrounding landscape, those who make a living along it's shores, the communities who live close-by waterways or those who come simply to enjoy the tranquility of water.
